

# CAN YOU PLEASE HELP US WITH OUR RESEARCH?

We would like to speak with:

young people who have had a sarcoma,

are currently aged 10-24, and who are 2-15 years post-treatment.

We know that young people who have had a sarcoma can often experience challenges with physical activity.

We would like to talk with you about your views and experiences of physical activity.

Taking part involves talking with a university researcher.

This can be done on the phone, online or in-person.

If you would like more information, please contact Liz at [liz.pharoah@newcastle.ac.uk](mailto:liz.pharoah@newcastle.ac.uk) or you can scan this QR code ...

As a thank you, you will receive a £20 Amazon voucher.
