THE DESIGN OF TACTICS

A WORKSHOP ON
POLICY BRIEFS

Promoted by Politecnico di Milano in the context of the project En/counter/points (re) negotiating belonging through culture and contact in public space and place
<https://research.ncl.ac.uk/encounterpoints/>

En/counter/points has received funding from the European Union's Horizon 2020 research and innovation programme under grant agreement no.760478. The project En/counter/points is financially supported by the HERA Joint Programme which is co-funded by AHRC, MIUR, NCN, NWO, BMBF, and the European Commission through Horizon 2020
