CIBT makes every effort to provide you with accurate information and to obtain the passport or visa you require for your trip, for the dates requested, in a timely manner. However, please be aware that CIBT does not warrant any information that it provides, and you use and rely on CIBT at your own risk.

When CIBT returns your passport and documents, it is important that you promptly verify that all the visas you require for your trip have been obtained, that the visas for each country you intend to visit are valid for the dates of your visit, and that your passport is valid for at least six months beyond the completion of your trip. Please note that CIBT cannot guarantee or warrant that it will be able to obtain your requested visa or visas or obtain such visa(s) by the date you request. All requirements, processing times, and fees are estimated based upon CIBT's experience, may vary according to information you provide to CIBT, the specific answers in your applications, and are subject to change without notice.

The issuance of a visa or passport is entirely at the discretion of the issuing authority, and each country's immigration officials make the final entry decision even when valid visas are held. CIBT makes no guarantees that any issuing authority will issue any document in a timely manner and CIBT service fees only are for taking reasonable actions to foster such issuance. Non-refundable tickets or reservations should not be purchased until all necessary visas and passports for your travel are secured. You are advised to check directly with the consulate or embassy of each applicable country regarding all necessary visa requirements. Under all circumstances, you (and not CIBT) are responsible for making sure that you have complied with all necessary visa requirements.

By sending applications to CIBT for processing, you accept all of the requirements, restrictions and limitations on liability set forth herein and specifically agree and confirm that CIBT shall not be liable to you for any failure by you to comply with the necessary visa requirements for your travel, for the action or inaction of any government body and/or for the performance by any third party delivery company. At all times and under all circumstances, CIBT's total liability to you for any and all claims, causes of action, liabilities and damages of any kind shall not, in any circumstance or for any reason, exceed the lesser of the fees actually paid by you to CIBT or £500, and full details of such claims must be submitted to CIBT within 90 days of occurrence. In no event shall CIBT be liable to you for any lost profits, or indirect, special, consequential or incidental losses or damages, and your sole and exclusive remedy against CIBT for damages in connection with the failure to obtain a requested visa or visas in a timely manner shall be the return of the CIBT service fees actually paid by you or £500, whichever is less.
