

Skill Training Meeting 1 – PROGRAM

1st DAY – Monday November 29: An overview of Non-Human Primates	
9:00 – 9:30	Welcome (Bjorg Kilavik, Thomas Brochier, Rima Helou – Aix-Marseille University)
9:30 – 11:00	<i>Marc Godinot</i> , Museum National d'Histoire Naturelle, Paris: NHP Evolution
11:30 – 13:00	<i>Cécile Garcia</i> , CNRS, Paris: Primate reproductive ecology and evolution
14:00 – 15:30	<i>François Lachapelle</i> , Animalliance, Paris: Comparative analysis of different animal models in experimentation
16:00 – 17:00	<i>Colline Poirier</i> , Newcastle University, UK: NHP welfare indicators (Zoom)
17:00 – 18:00	ROUND TABLE <i>Sabrina Ravel</i> (AMU), <i>Colline Poirier</i> , <i>François Lachapelle</i> , <i>Cécile Garcia</i>
2nd DAY – Tuesday November 30: Communicating about NHP research	
9:30 – 12:00	<i>Rachel Mayeri</i> , Harvey Mudd College, USA: Role-play session on non-human primate training in cognitive tasks
10:00 – 11:00	Visit of the MRI center https://irmf.int.univ-amu.fr/en/home/
11:00 – 12:00	Discussions on: Mentorship & PhD followup / ESR8 recruitment (With PIs Only)
12:00 – 13:00	ROUND TABLE <i>Rachel Mayeri</i> (HMC), <i>Adrien Meguerditchian</i> (Aix-Marseille University)
13:30 – 15:00	<i>Kirk Leech</i> , EARA European Animal Research Association, Belgium & UK: Communicating with European institutions
15:30 – 17:30	ROUND TABLE <i>Stuart Baker</i> (UNEW, UK), <i>Andreas Kreiter</i> (UBREMEN, Germany), <i>Pierre Pouget</i> (Institut du Cerveau, Paris), <i>Luca Bonini</i> (University of Parma, Italy): Researcher personal experience on interactions with the public and the media
3rd DAY – Wednesday December 1: From NHP to Human research & publishing animal research	
9:00 – 10:30	<i>Serge Picaud</i> , Institut de la vision, Paris : From animal experiments to clinical trials
11:00 – 12:30	<i>Sylvain Rheims</i> , Hospice civil de Lyon, Lyon Hospital) : Human research ethics
13:30 – 15:00	<i>Hanno Wurbel</i> , University of Bern, Switzerland: Animal Research: Reporting of In Vivo Experiments, ARRIVE Guidelines
15:30 – 17:00	<i>Pascal Fries</i> , Ernst Strüngmann Institute for Neuroscience, Germany: Discussing sample size issues in NHP research
17:00 – 18:00	ROUND TABLE – ZOOM session Good practice for publishing a study on NHP, history of research and publication of research studies on NHP <i>John Francis Kalaska</i> , Université de Montréal, Canada: Publishing NHP research, the editor point of view <i>Peter Strick</i> , University of Pittsburgh, US: Publishing NHP research, the editor point of view
4th DAY – Thursday December 2: Data Management and reproducible workflows	
09:30 – 11:00	<i>Suliamn Ben Hamed & Emmanuel Procyk</i> , CNRS, Lyon: Discussion on common localizer:
11:30 – 12:30	<i>Thomas Wachtler</i> , University of Munich, Germany: General Overview
12:30 – 13:00	<i>Michael Denker</i> , Jülich Research Center, Germany: Introduction to Neo, conceptual
14:00 – 14:45	<i>Michael Denker</i> , Jülich Research Center: Introduction to Elephant
14:45 – 15:30	<i>Andrea Brovelli & Etienne Combrisson</i> , INT Marseille: Frites presentation
16:00 – 16:45	<i>Julia Sprenger</i> , INT Marseille: BIDS / BEP032
16:45 – 17:30	<i>Lyuba Zehl</i> , EBrains, Jülich Research Center, Germany: OpenMINDS and EBRAINS
17:30 – 18:00	<i>Reema Gupta</i> , University of Munich, Germany: PhD Project / Support & Questions
5th DAY – Friday December 3: Managing your PhD	
9:30 – 10:00	Administrative rules & PhD follow-up <i>Rima Helou</i> , IN2PB Project Manager, Aix-Marseille University: Administrative rules <i>Frédéric Chavane</i> , Training officer, Aix-Marseille University: Thesis monitoring committees
10:00 – 10:30	IN2PB web portal & interactive communication platform <i>Rima Helou</i> , IN2PB Project Manager, Aix-Marseille University: Presentation of the In2PB web Portal (contribution of ESRs) <i>Thomas Wachtler</i> , University of Munich, Germany: Presentation of In2PB interactive platform <ul style="list-style-type: none"> ▪ Communication intra-ESRs : to be chosen by ESRs (Discord/Slack/WhatsApp) and some ESRs to manage ▪ Communication intra-ITN : NextCloud ▪ Platform for organizing events: Gathertown / Zoom
10:30 – 11:00	ESRs and Supervisors <i>Anna Montagnini</i> , Aix-Marseille University, presentation on good relations between ESRs and their supervisors
11:30 – 13:00	ROUND TABLE <i>EX-PhD student(s)</i> , Thesis on NHP: time management between bibliography, monkey training, data collection, analysis and thesis writing <i>Claire Witham</i> , Centre for Macaques, MRC Harwell Institute, UK <i>Joachim Confais</i> , Cynbiose Preclinical, France <i>Marc Deffains</i> , University of Bordeaux, Institute of Neurodegenerative Diseases
14:00 – 16:00	Return on experience: careers with a PhD in NHP Neuroscience (<i>Claire Witham</i> , <i>Joachim Confais</i> , <i>Marc Deffains</i>)
16:30 – 18:00	<i>Isabelle Virard</i> , Aix-Marseille University, NeuroSchool Coordinator: Career Development Plan
