Personal Benefits:

Seeking recognition for your professional practice as an Enterprise Educator?

If your work supports the development of entrepreneurial outcomes in others, then register your interest online to find out how you can:

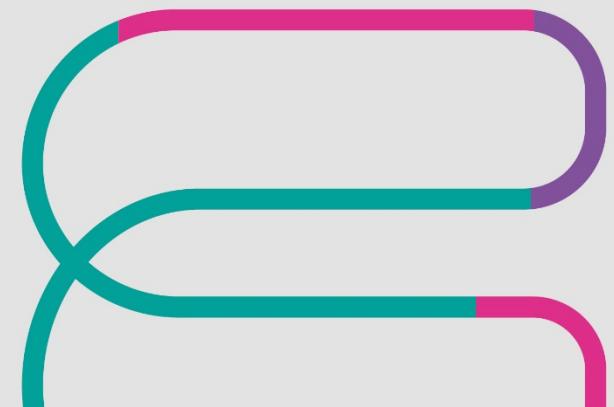

- » Secure national recognition of your professional background and experience
- » Obtain recognition for your existing approach and professional practice
- » Evidence your skills and background as a reflective practitioner
- » Achieve professional recognition for your work through the confirmation of the title "Fellow of EEUK"

Organisational Benefits:

Show your institutional commitment to the enterprise and entrepreneurship agenda by supporting your staff to gain national recognition and:

- » Recognise the value of all those staff who are delivering effective enterprise education across your institution
- » Add value and national recognition to your university wide enterprise/entrepreneurship activities
- » Enhance the wide-ranging work of your enterprise educators, by supporting their ongoing staff development and advancement
- » Demonstrate the importance of the different roles that create effective enterprise education, through one national route to recognition

[Overview](#) [EERPF](#) [Bursaries](#) [Ask Ken](#)

EEUK established the Bursary in memory of their former Vice-Chair Dr Richard Beresford. Richard had a deep commitment to supporting the personal development of colleagues working in enterprise and entrepreneurship education. The aim is to support the personal development of educators and practitioners, to positively contribute to their practice and to share the story of their learning experiences with the wider EEUK membership.

Cobweb Information supports the Bursary scheme by funding one bursary each year – we are very grateful for their support.

The screenshot shows the homepage of the ETC Toolkit. At the top, the Enterprise Educators UK logo is on the left, and a navigation menu with links to Subjects, About, Using The Toolkit, Help, and Contact is on the right. The main title 'ENHANCING THE CURRICULUM' is in large white text, followed by 'ENTERPRISE AND ENTREPRENEURSHIP EDUCATION TOOLKIT' in a slightly smaller white text. Below the title is a blurred background image of students in a classroom. A 'Select your Subject' dropdown menu is centered. At the bottom, there are eight colored boxes representing different subjects: Agriculture and Veterinary (red, with a tractor icon), Architecture and the Built Environment (pink, with a building icon), Business, Law and Accounting (purple, with a scales icon), Creative (blue, with a brain icon), Health (green, with a stethoscope icon), Humanities (yellow, with a globe icon), Science, Technology, Engineering and Maths (orange, with a formula icon), and Extra Curricular (pink, with a document icon). A footer bar at the bottom contains the text 'All ETC How To Guides & Case Studies'.
