

Equipment:

- Air-drying clay
- Rolling pins
- Cutting tools
- Paintbrushes
- Coloured paints (including gold and silver)
- Worksheet: Designing a Votive Offering

Instructions:

- Soften a ball of air-drying clay by kneading it.
- Press down the ball on the desk or use a rolling pin to flatten it.
- Cut out the shape of an eye or ear (roughly life-size).
- Use the remnants of clay to model details.
- Leave to harden.
- When dry, the clay can be painted.
