

Equipment:

- Fragments of broken terracotta plant pots
- Pencils
- Black felt tip pens (range of thicknesses)
- Worksheet: Designing a Painted Pottery Fragment

Instructions:

- Think about which part of the Herakles story you want to re-create.
- Use scrap paper to draw the shape of the pot fragment and practice drawing your design on it.
- Use pencil to draw the design on the pot fragment.
- Draw the outline of the figure or object, then add details.
- Go over the outline of the design in pen and colour in the background – remember the figure is not coloured in, it should stay orange.
