

Equipment:

- Card (bronze coloured or brown)
- Template for cutting circles (diameter around 5cm)
- Scissors
- Glue
- Single hole punch
- Paper straws
- Paintbrushes
- Bronze coloured paint
- Paper fasteners
- **Worksheet: Designing a Ballot**

Instructions:

- Cut out two circles from the card.
- Glue the circles back to back.
- Punch a hole in the centre.
- Cut a piece of straw around 3cm long.
- Paint the straw. Leave it to dry.
- Place the straw through the hole in the circles.
- Repeat the process so you have two ballots.
- Take two paper fasteners and pull apart the fastening end slightly.
- Squeeze the fastener together and insert it into one end of the straw.
- Repeat on the other side of the same straw.
- You only need to add the fasteners to one of the two ballots you have made.
