

Equipment:

- Paper plates
- Pencils
- Felt tip pens
- Worksheet: Designing a Shield

Instructions:

- Choose a design for your shield using the designing a shield worksheet. You could choose Pegasus, a Gorgon's head, a snake or even make your own design.
- Use a pencil to draw the outline of your design.
- Add colour using felt tip pens or colour your motif black to make a silhouette.

This amphora, in the Great North Museum, would have once stored wine or oil. It shows a warrior getting ready to leave for war. His shield has a picture of the winged horse Pegasus.

This pot was made in Athens in the fifth century BC.
