

Equipment:

- Fragments of broken terracotta plant pots
- Pencils
- Black felt tip pens (range of thicknesses)
- Worksheet: Designing a Painted Pottery Fragment

Instructions:

- Looking at the picture decide which bit to draw and draw the shape of the fragment over the picture on the worksheet.
- You can use scrap paper to practice drawing the shape of the pot fragment and your design inside it.
- Use pencil to draw the design on the pot fragment.
- Draw the outline of the figure or object, then add details.
- Go over the outline of the design in pen and colour in the background – remember the figure is not coloured in, it should stay orange with detail added in pen.
