

Poster Number	Authors (Presenting author in bold) & Title	Theme
1	Emma J Cockcroft , Kate Boddy, Kristin Liabo Why evaluating impact isn't what's important in patient collaboration	Reflections on Involvement
2	Penny Vicary , Virginia Minogue, Mary Cooke The authenticity of the service user experience is the most important contribution. The value attached to the service user experience is more important than the monetary reward. Levels of reward and recognition create differences in value and power.	Reflections on Involvement
3	Jess Zadik , Moira Lyons Volunteers, champions, ambassadors or advisers? – developing a shared language for engagement and involvement	Reflections on Involvement
4	Peter Unwin Overstepping the Mark? Personal disclosure in user-led research	Reflections on Involvement
5	Philip M Wallbridge, Peter Unwin Reasons and ideas for research by and with brain injury insiders	Reflections on Involvement
6	Adrian Hawkins From PPI consultation to co-production? Identifying the barriers and facilitators to further development of PPI at the Sir Bobby Robson Cancer Trials Research Centre. A qualitative study exploring views and perceptions of research active consultant oncologists.	Reflections on Involvement

7	Anita. L. Slade, Margaret E. O'Hara , David Quinn, Stephen Griffith, Deirdre.A. Lane Living with a left ventricular assist device: Patient Involvement is crucial in developing Patient Reported Outcome Measures	Reflections on Involvement
8	Adedoyin Alao , Bryan Burford, Hugh Alberti, Susan Hrisos, Roger Barton, David Kennedy, Gillian Vance Reflections on patient involvement in a research project on medical education	Reflections on Involvement
9	Faye Forsyth, Caroline Saunders , Anne Elmer, Shirlene Badger Involving children in clinical research – perspectives from the Cambridge NIHR Clinical Research Facility children's non-executive research board	Reflections on Involvement
10	Teresa Melody , Andrew Worrell, Catriona Frankling, Fang Gao Smith Challenges of PPI Involvement, Recruitment and Retention in an NIHR funded trial.	Reflections on Involvement
11	Emmy Racine , Caroline Hurley, Aoife Cheung, Carol Sinnot, Karen Matvienko-Sikar, Christine Baumgartner, Nicolas Rodondi, William H. Smithson, Patricia M. Kearney Participants' perspectives and preferences on clinical trial result dissemination: The TRUST Thyroid Trial experience	Reflections on Involvement
12	Alys Griffiths Lessons learned from improving the quality of involvement: a case study of the EPIC trial	Reflections on Involvement
13	Holly McGrath (Emmy Racine) Identifying effective recruitment strategies for patient and public involvement (PPI) in trials	PPI Models & Methods

14	<p>Maureen Godfrey</p> <p>Using a hub and spoke approach to patient and public involvement to enhance the quality of a trial.</p>	PPI Models & Methods
15	<p>Mary Galvin, Emma Murphy, Caoimhe Hannigan, Julie Doyle, Suzanne Smith, Sarah Bowman, Mary McCarron, Anne-Marie Brady, John Dinsmore</p> <p>ProACT: Fostering PPI within the design of digital health solutions for people with multimorbidity</p>	PPI Models & Methods
16	<p>Nile Amos, Laura Elliot, Anna Jewell</p> <p>Patient and public involvement in pancreatic cancer research</p>	PPI Models & Methods
17	<p>Lise Sproson</p> <p>The impact of true collaboration - from unmet need through to global availability</p>	PPI Models & Methods

19	<p>Elizabeth Li, James Glasbey, Margaret O'Hara, Saloni Mittal, Victor Rose, Sarah Square, Sharon Garner, Arlo Whitehouse, Mike Keighley, Thomas Pinkney</p> <p>Patient Involvement underpinning a project to develop a new innovation in the treatment of Fistula-in-ano</p>	PPI Models & Methods
21	<p>Clare Burgon, Morag Whitworth, Rupinder Bajwa, Veronika van der Wardt, Sarah Goldberg, Rowan Harwood</p> <p>A protocol for a systematic review of apathy measures for older adults: Patient and Public Involvement in reviewing content validity</p>	PPI Models & Methods

22	Morag Whitworth , Rupinder Kaur Bajwa, Clare Burgon Patient and Public Involvement in Dementia, Frail Older People and Palliative care.	PPI Models & Methods
23	Anna L. Brütt , Ramona Meister, Rebecca Philipp, Tabea Bernges, Steffen Moritz, Martin Härter, Levente Kriston, Franziska Kühne Patient involvement in a systematic review and meta-analysis	PPI Models & Methods
24	Greta Brunskill , Claire Bamford, Joy Adamson, Lynne Corner, Alison Wheatley, Louise Robinson Engaging innovative and inclusive partnerships to inform dementia research: the Dementia Care Community	PPI Models & Methods
25	Rachel O'Donnell , Porfyrios Korompelis, Stuart Rundle, Meera Adishesh, Dominic A Blake, Nithya Ratnavelu, Ann D Fisher, Fong Kwong Patient involvement in cancer research: are we underestimating our patients?	PPI Models & Methods
26	Fiona Evans , Linda Coughlan, Golaleh McGinnell, Joanna Gray, Elizabeth Sapey, Jo O'Neill Implementing PPI into the CRF	PPI Models & Methods
27	Julia Jones , Sue Marks, and Jennifer Cameron Evaluating the impact of a university-based public involvement in research group	Evaluation & Impact of PPI
28	Rupinder Kaur Bajwa , Clare Burgon Comparison of formal and informal recruitment processes for Patient and Public Involvement advisory panel members.	Evaluation & Impact of PPI

29	Ruth Boyd , Margaret Grayson, Sandra McCarry, Gail Johnston Evaluating the strategy for Personal and Public Involvement (PPI) in cancer research in Northern Ireland - the NI Cancer Trials Network and NI Cancer Research Consumer Forum experience	Evaluation & Impact of PPI
30	Kate Sartain , Sarah Goldberg, Rebecca O'Brien, Rowan Harwood Involving carers of people with dementia in research – an example from a UK study	Evaluation & Impact of PPI
31	Neil H Chadborn , Linda Birt, Alessandro Bosco, Carole Brewster, Dons Coleston-Shields, Michael Craven, Claudio Di Lorito, Julie Gosling, Miriam Stanyon, Jen Yates Researching together with members of Centre for Dementia PPI group	Evaluation & Impact of PPI
32	Heidi Surridge , Doreen Tembo Using case studies to evaluate PPI feedback in the research application and funding process; how are public and professional assessments of PPI fed back to study applicants?	Evaluation & Impact of PPI
33	Emmy Racine , Sheena McHugh, Patricia M. Kearney Seldom heard: Evaluating the impact of involving patients and the public in a consensus process to inform intervention development.	Evaluation & Impact of PPI
34	Raksha Pandya-Wood Evaluating the impact of patient and public involvement on cancer research outcomes	Evaluation & Impact of PPI
35	Opeyemi Odejimi An exploration of the perceived impact of active service users and carers involvement on Adult Nursing and Social work Academic staff	Evaluation & Impact of PPI

36	Margaret E. O'Hara , Laura Chapman The 'I Had No Idea' Log. Capturing the impact on Patients and Researchers from early interactions in PPI	Evaluation & Impact of PPI
37	James MacCarthy , Suzanne Guerin, Jacqui Browne, Gerry Wilson, Emma R. Dorris Development of an open-source tool for contemporaneous evaluation of PPI in basic and preclinical research	Evaluation & Impact of PPI
38	Helen Hanson , Kathy Murphy, Andrew Mellor A pilot project to initiate public involvement in animal research	Innovation in PPI
39	Toni Bewley , Allen Bewley Patient and caregiver involvement in the development and delivery of nurse education: an international multi – site evaluation	Innovation in PPI
40	Ellen Tullo, Luisa Wakeling Evaluating innovative teaching about ageing using an inclusive approach to research	Innovation in PPI
41	Malou Luchtenberg , Els L. M. Maeckelberghe, Louise Locock, Eduard Verhagen Empowering children in medical research: children as co-researchers in a qualitative interview study	Innovation in PPI
42	Jackie Seely , Hazel Patel, Megan Barlow-Pay, Aniqqa Nishat, Caroline Barker, Giselle Atkinson, Tess Mc Manus, Kate Sonpal, Claire Ballinger Wessex Public Involvement Network (Wessex PIN) Diversity and Inclusion Project	Innovation in PPI

43	Gill Mathews , Heather Wilkinson Toilets when travelling: a human rights, coproduction model to support inclusive living	Innovation in PPI
44	Anna L. Brütt , Tabea Bernges, Julia Magaard How to do Research on my own? - Development and Piloting of a Leveraging, Practical Research Training for Patients with Mental Disorders	Innovation in PPI
45	Janet Hargreaves , Ilyas Akhtar , Amanda Edmondson, Alison Morris, Christine Rhodes, Catherine Richardson, Christine Smith, Jo Taylor Towards authenticity: a public participation viewpoint of involvement in the design, delivery and reporting of the evaluation of a health research awareness training package for Patient and Public Involvement participants.	Innovation in PPI
46	Margaret E. O'Hara , Laura Chapman, Kirsten Chalk, Magdalena Skrybant, Laura Nice Creating a living network map for team working in Patient and Public Involvement	Innovation in PPI
47	Roger Steel Creating value where patient experience of research participation and PPI meet: The NIHR CRN Patient Research Experience programme	Innovation in PPI
48	<i>Project team:</i> Sylvia Bailey, David Green, Gary Hickey, Tracey Johns, Alison Ledward, Amanda Roberts, Heidi Surridge , Doreen Tembo, Gail Thornton, Amander Wellings, Jane Whitehurst Public reviewing with the National Institute for Health Research (NIHR): an interactive course for new and experienced reviewers of health and social care research	Innovation in PPI
