

A close-up photograph of a dandelion seed head, with several seeds blowing away in the wind against a teal background.

# Improving primary care based post-diagnostic support for people living with dementia

Claire Bamford, Jane Wilcock, Greta Brunskill, Alison Wheatley and Louise Robinson on behalf of the PriDem team

# Our vision for post-diagnostic support

# Key challenges

---

- Lack of supportive infrastructure
- Limited proactive, holistic, tailored support
- Limited capacity & capability

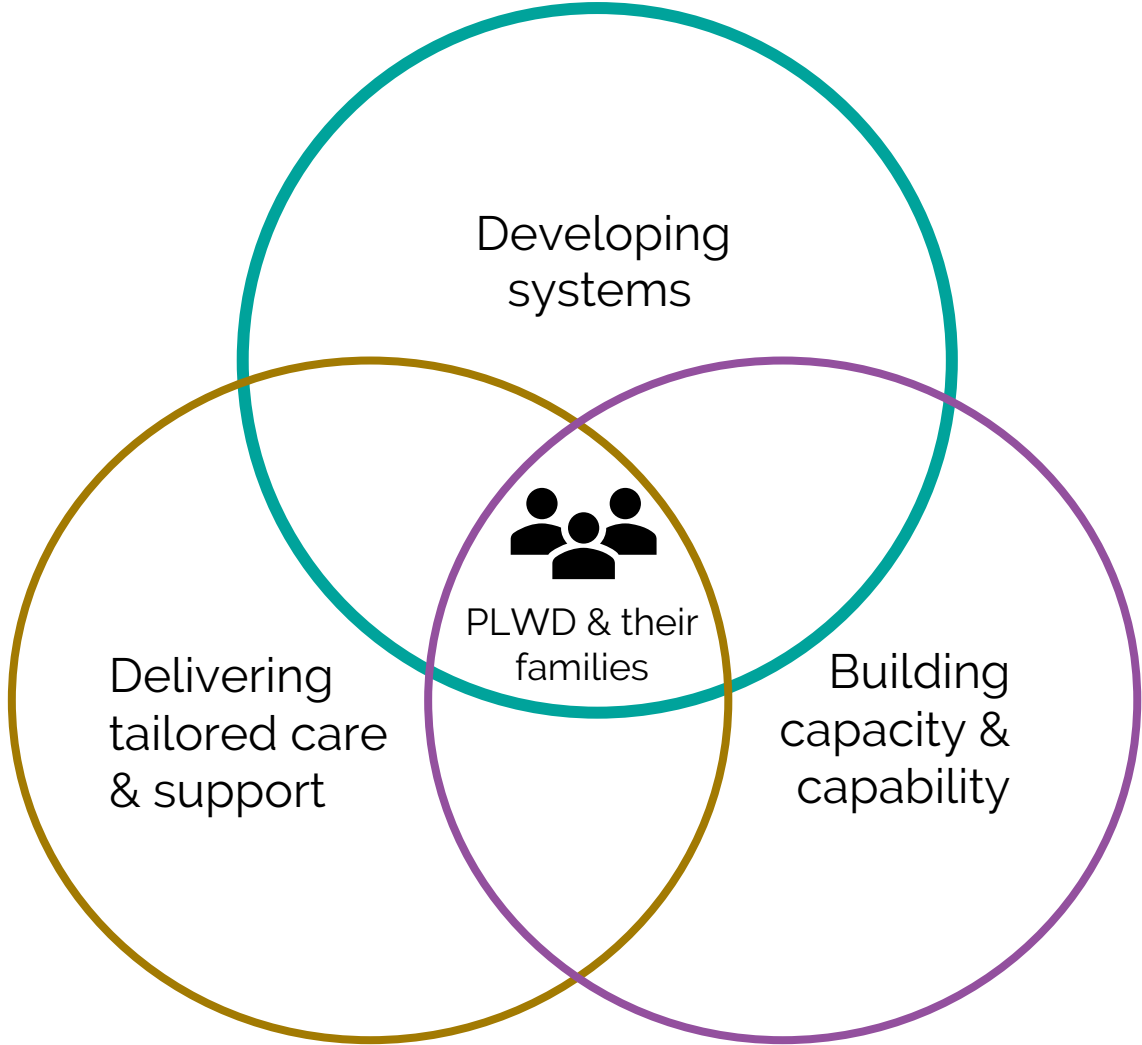

# The PriDem intervention

Clinical dementia expert
