Do you have children at a local Primary school?

Do you speak languages other than English at home? Roma, Slovak, Czech, Romanian, Croatian?, any others?

We would love you to help us help your child by telling us all about the languages you speak at home. We have some money from the European Union to design activities using amazing new technology in **Westgate Hill and Moorside Primary schools**. We want children to use their home languages alongside English when working on the activities, as this helps their learning the most. So we need to know all about the languages they use at home!

THANK YOU!
