## TOP NEWS OF THE MONTH

### PREVALENCE STUDY IN

The TraPCAf team aided the launch of a Parkinson's prevalence study in the South Tongu district of Ghana.

The study will cover 6 health zones in 5 weeks.

### TRAPCAF RUN THE LAKELAND 50

TraPCAf team member Catherine and her husband Graham recently completed the Lakeland 50 race in the Lake District.

The pair also managed to raise over £500 for Parkinson's Africa. Well done to you both!

### KILIFI CENSUS TRAINING

The TraPCAf team ran a successful census training session in Kilifi, Kenya.

Local census workers were educated about Parkinson's and then headed out into the community to gather data.
