

Secondments as part of the OPTIMALMINE Project

Visiting Researchers Registration

If you wish to carry out a secondment at UVigo, please contact Prof. Leandro Alejano Monge (alejano@uvigo.gal), who will act as your host and will sign the Secondment Agreement. If you are required to apply for a visa to carry out your stay at UVigo, please remember that visa procedures can take considerable time. We therefore recommend initiating this process at least 4 months before your planned arrival.
