

Amazing Careers in the NE: Q&A

1. What skills have you developed as a result of taking part in this project and how do you think these skills might help you in the future?
2. You were introduced to information literacy and conducting research by [name] from Newcastle University. What did you learn from this, how did it help you during the project and how will you use this knowledge in the future?
3. The project brief of a lesson plan and activities was set by [name] from the NE LEP. If your plans are good enough, they are going to be put up on the LEP's website for teachers around the NE to use. How do you think being set this challenge by a real employer affected the quality of your group's work and the effort that you all put into it?
4. What challenges did you face taking part in this project?
5. Tell us about the role that you took on in your group. Why did you choose that? What did you learn from it?
6. How effectively did your team work together ?
7. What did you enjoy most about this project?
8. What did you enjoy least? (please be honest so that we can make improvements to our project for next time).
9. What did you learn about careers in the North East that you didn't know before?
10. How was this project different to other work that you do in school?
